

BSI Standards Publication

Patient involvement in health care – Minimum requirements for person-centred care

National foreword

This British Standard is the UK implementation of [EN 17398:2020](#).

The UK participation in its preparation was entrusted to Technical Committee CH/440, Adult social care.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
