

BSI Standards Publication

Algae and algae products – Terms and definitions

National foreword

This British Standard is the UK implementation of [EN 17399:2020](#).

The UK participation in its preparation was entrusted to Technical Committee EH/3/-/5, Algae and Algae Products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
