

BSI Standards Publication

Fixed firefighting systems — Water mist components

Part 1: Product characteristics and test methods for strainer and filter components

National foreword

This British Standard is the UK implementation of EN 17450-1:2021.

The UK participation in its preparation was entrusted to Technical Committee FSH/18/5, Watermist systems.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
