Classification of gas appliances according to the method of supplying combustion air and of evacuation of the combustion products (types)

National foreword

This British Standard is the UK implementation of EN 1749:2020. It supersedes PD CEN/TR 1749:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee GSE/26, Test gases.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
