Road marking materials — Road trials

National foreword

This British Standard is the UK implementation of EN 1824:20 20. It supersedes BS EN 1824:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/509/2, Horizontal road markings and road studs.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
