

Specification for

**Harmonized system
of quality assessment
for electronic
components —
Blank detail
specification —**

**Connector for optical fibres and
cables —
Environmental category II**

The European Standard EN 186002:1993 has the status of a
British Standard

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, pages i and ii, the EN title page, page 2, pages ii to x, pages 1 to 19 and a back cover.

This standard has been updated (see copyright date) and may have had amendments incorporated. This will be indicated in the amendment table on the inside front cover.

Amendments issued since publication
