

Harmonized system of quality
assessment for electronic components

Sectional specification: Connector sets for optical fibres and cables — Types F-SMA

The European Standard EN 186100:1994 has the status of a
British Standard

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee EPL/86, Fibre optics, upon which the following bodies were represented:

- BECCAMA (BEAMA Electrical Cable and Conductor Accessory Manufacturers' Association)
- British Approvals Service for Cables
- British Cable Makers Confederation
- British Telecommunications plc
- Department of Trade and Industry (National Physical Laboratory)
- ERA Technology Ltd.
- Federation of the Electronics Industry
- Fibreoptic Industry Association (FIA)
- Ministry of Defence
- National Supervising Inspectorate (BSI QA)
- Optical Sensors Collaborative Association
- Society of Cable Television Engineers

This British Standard, having been prepared under the direction of the Electrotechnical Sector Board, was published under the authority of the Standards Board and comes into effect on 15 April 1995
