

BSI Standards Publication

Food processing machinery — Slicing machines — Safety and hygiene requirements

National foreword

This British Standard is the UK implementation of EN 1974:2020. It supersedes BS EN 1974:1998+A1:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MCE/3/5, Food industry machines.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
