Hardened and tempered —
Hand and die forgings — De
≤ 150 mm**

National foreword

This British Standard is the UK implementation of EN 2226:2014.

The UK participation in its preparation was entrusted to Technical Committee ACE/61/-/15, Steels for Aerospace Purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
