

BSI Standards Publication

**Aerospace series - Cable, electrical, fire
resistant - Technical specification**

National foreword

This British Standard is the UK implementation of EN 2234:2018. It supersedes BS EN 2234:2012, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
