

BSI Standards Publication

Aerospace series – Cables, electrical, for general purpose – Operating temperatures between –55 °C and 260 °C

Part 010: DR family, single UV laser printable – Product standard

National foreword

This British Standard is the UK implementation of EN 2267-010:2018. It supersedes BS EN 2267-010:2017, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
