

BS EN 2311:2017

BSI Standards Publication

Aerospace series — Bushes with self-lubricating liner — Technical specification

National foreword

This British Standard is the UK implementation of EN 2311:2017. It supersedes BS EN 2311:2012 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
