

BSI Standards Publication

**Aerospace series - Aluminium alloy 2024-T3 -
Bars and sections - $a \leq 150$ m**

National foreword

This British Standard is the UK implementation of EN 2321:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/61/-/24, Light Alloys for Aerospace Purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
