Aerospace series — Passivation of corrosion resisting steels and decontamination of nickel base alloys

National foreword

This British Standard is the UK implementation of EN 2516:2020. It supersedes BS EN 2516:1997, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/65, Non-metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
