

BS EN 252:2014

BSI Standards Publication

Field test method for determining the relative protective effectiveness of a wood preservative in ground contact

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 252:2014. It supersedes BS 7282:1990 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/515, Wood preservation.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
