

BS EN 2590:2017

BSI Standards Publication

Aerospace series — Steel — Sheets and plates, hot rolled — Dimensions

National foreword

This British Standard is the UK implementation of EN 2590:2017.

The UK participation in its preparation was entrusted to Technical Committee ACE/61, Metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
