

BS EN 2833-005:2013

BSI Standards Publication

Aerospace series — Glass fibre thermosetting preimpregnates — Technical specification

Part 005: Glass fabric/phenolic resin
preimpregnate

National foreword

This British Standard is the UK implementation of EN 2833-005:2013.

The UK participation in its preparation was entrusted to Technical Committee ACE/65, Non-metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
