

Aerospace series — Cables, electrical for general purpose — Cross sections equal to and greater than 9 mm² — Operating temperatures between — 55 °C and 260 °C

Part 002: General

ICS 49.060

National foreword

This British Standard is the UK implementation of EN 2854-002:2009.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009
