Automatic burner control systems for burners and appliances burning gaseous or liquid fuels

bsi.

...making excellence a habit.™

National foreword

This British standard is the UK implementation of EN 298:2012. It supersedes BS EN 230:2005 and BS EN 298:2003, which will be withdrawn on 01 May 2015.

The UK participation in its preparation was entrusted to Technical Committee GSE/22, Safety and control devices for gas and oil burners and gas burning appliances.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
