**Aerospace series - Connectors, electrical, circular,
coupled by threaded ring, fire-resistant or non fire-
resistant, operating temperatures - 65 °C to 175
°C continuous, 200 °C continuous, 260 °C peak**

Part 001: Technical specification

National foreword

This British Standard is the UK implementation of EN 2997-001:2017. It supersedes BS EN 2997-001:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CH/150/2, Cardiovascular implants.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
