

Heat exchangers — Test procedures for establishing the performance of air to air and flue gases heat recovery devices

ICS 27.060.30

Committees responsible for this British Standard

The preparation of this British Standard was entrusted to Technical Committee RHE/30, Heat exchangers, upon which the following bodies were represented:

- British Refrigeration Association
- Building Services Research and Information Association
- Federation of Environmental Trade Associations
- HEVAC Association
- Water Heater Manufacturers' Association

This British Standard, having been prepared under the direction of the Engineering Sector Board, was published under the authority of the Standards Board and comes into effect on 15 July 1997
