

BSI Standards Publication

**Aerospace series – Hose assemblies –
Designation limited to 15 digits**

National foreword

This British Standard is the UK implementation of EN 3086:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/69, Aerospace hydraulic systems, fluids and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
