BSI Standards Publication

Aerospace series — Electrical contacts used in elements of connection

Part 002: List and utilization of contacts

National foreword

This British Standard is the UK implementation of EN 3155-002:2011. It supersedes BS EN 3155-002:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
