**Part 067: Contacts, electrical, coaxial,
size 08, male, type D, solder, class R —
Product standard**

ICS 49.060

National foreword

This British Standard is the UK implementation of EN 3155-067:2009.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 March 2009
