

Aerospace series — Cable, electrical, aircraft use — Test methods —

Part 302: Voltage proof test

The European Standard EN 3475-302:2006 has the status of a British Standard

ICS 49.060

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 3475-302:2006. It supersedes BS EN 3475-302:2002 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology, to Subcommittee ACE/6/-/2, Aerospace — Cables.

A list of organizations represented on ACE/6/-/2 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2006
