Part 701: Strippability and adherence of insulation to the conductor

National foreword

This British Standard is the UK implementation of EN 3475-701:2017. It supersedes BS EN 3475-701:2002, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
