

BSI Standards Publication

Personal protective equipment for work positioning and prevention of falls from a height - Belts and lanyards for work positioning or restraint

National foreword

This British Standard is the UK implementation of EN 358:2018. It supersedes BS EN 358:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/5, Personal Fall Protection.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
