

Personal protective equipment against falls from a height — General requirements for instructions for use, maintenance, periodic examination, repair, marking and packaging

The European Standard EN 365:2004 has the status of a
British Standard

ICS 13.340.99

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 365:2004, incorporating corrigendum July 2006. It supersedes BS EN 365:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/5, Industrial safety belts and harnesses.

A list of organizations represented on PH/5 can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 29 September 2004
