Protective gloves against chemicals and micro-organisms

Part 4: Determination of resistance to
degradation by chemicals

National foreword

This British Standard is the UK implementation of EN 374-4:2013.

The UK participation in its preparation was entrusted to Technical Committee PH/3/8, Protective gloves.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
