Refrigerating systems and heat pumps — Safety and environmental requirements

Part 2: Design, construction, testing,
marking and documentation

National foreword

This British Standard is the UK implementation of EN 378-2:2016. It supersedes BS EN 378-2:2008+A2:2012 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RHE/18, Refrigeration safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
