Aerospace series — Flammability of non-metallic materials

Part 2: Small burner test, horizontal — Determination
of the horizontal flame propagation

National foreword

This British Standard is the UK implementation of EN 3844-2:2019. It supersedes BS EN 3844-2:2011, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/65, Non-metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
