

BS EN 4008-008:2011

BSI Standards Publication

Aerospace series — Elements of electrical and optical connection — Crimping tools and associated accessories

Part 008: Positioner for crimping tool
M22520/7-01 — Product standard

National foreword

This British Standard is the UK implementation of EN 4008-008:2011. It supersedes BS EN 4008-008:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
