

BS EN 4160:2011

BSI Standards Publication

Aerospace series — Paints and varnishes — Determination of the effect of thermal exposure

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 4160:2011.

The UK participation in its preparation was entrusted to Technical Committee ACE/65, Non-metallic materials for aerospace purposes (excluding textiles).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
