Part 002: Specification of performance and
contact arrangements

National foreword

This British Standard is the UK implementation of EN 4165-002:2015, incorporating corrigendum April 2016. It supersedes BS EN 4165-002:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
