

BS EN 419211-3:2013

BSI Standards Publication

# Protection profiles for secure signature creation device

Part 3: Device with key import

**National foreword**

This British Standard is the UK implementation of EN 419211-3:2013.

The UK participation in its preparation was entrusted to Technical Committee IST/17, Cards and personal identification.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
