

BS EN 421:2010

BSI Standards Publication

Protective gloves against ionizing radiation and radioactive contamination

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 421:2010. It supersedes BS EN 421:1994 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PH/3/8, Protective gloves.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
