

Aerospace series — Bushes, plain in corrosion-resisting steel with self- lubricating liner, elevated load —

Part 2: Dimensions and loads — Inch series

ICS 49.035

National foreword

This British Standard is the UK implementation of EN 4536-2:2009.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 July 2009.
