

Aerospace series — Paints and varnishes — Two component, cold curing polyurethane paint, anti slip

The European Standard EN 4588:2007 has the status of a
British Standard

ICS 49.040

National foreword

This British Standard was published by BSI. It is the UK implementation of EN 4588:2007.

The UK participation in its preparation was entrusted by Technical Committee ACE/65, Non-metallic materials for aerospace purposes (excluding textiles), to Panel ACE/65/-/3, Paints.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2007
