

# **Durability of wood and wood-based products — Natural durability of solid wood — Guide to the durability requirements for wood to be used in hazard classes**

The European Standard EN 460:1994 has the status of a  
British Standard

UDC 674.03:620.193.8:620.193.91

# Cooperating organizations

The European Committee for Standardization (CEN), under whose supervision this European Standard was prepared, comprises the national standards organizations of the following countries:

|                |                                                      |
|----------------|------------------------------------------------------|
| Austria        | Oesterreichisches Normungsinstitut                   |
| Belgium        | Institut belge de normalisation                      |
| Denmark        | Dansk Standard                                       |
| Finland        | Suomen Standardisoimisliito, r. y.                   |
| France         | Association française de normalisation               |
| Germany        | Deutsches Institut für Normung e.V.                  |
| Greece         | Hellenic Organization for Standardization            |
| Iceland        | Technological Institute of Iceland                   |
| Ireland        | National Standards Authority of Ireland              |
| Italy          | Ente Nazionale Italiano di Unificazione              |
| Luxembourg     | Inspection du Travail et des Mines                   |
| Netherlands    | Nederlands Normalisatie-instituut                    |
| Norway         | Norges Standardiseringsforbund                       |
| Portugal       | Instituto Português da Qualidade                     |
| Spain          | Asociación Española de Normalización y Certificación |
| Sweden         | Standardiseringskommissionen i Sverige               |
| Switzerland    | Association suisse de normalisation                  |
| United Kingdom | British Standards Institution                        |

This British Standard, having been prepared under the direction of the Technical Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 August 1994
