

BS EN 4632-004:2012

BSI Standards Publication

Aerospace series — Weldability and brazeability of materials in aerospace constructions

Part 004: Welding and brazing
of homogeneous assemblies of
high alloyed steels

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of EN 4632-004:2012.

The UK participation in its preparation was entrusted to Technical Committee ACE/61, Metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
