

BSI Standards Publication

Aerospace series - Connectors, coaxial, radio frequency

Part 421: Type 4, C interface - Crimp assembly version -
Right angle plug - Product standard

National foreword

This British Standard is the UK implementation of EN 4652-421:2017.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
