

BSI Standards Publication

Aerospace series — Weldments and brazements for aerospace structures — Joints of metallic materials by laser beam welding — Quality of weldments

National foreword

This British Standard is the UK implementation of EN 4678:2011.

The UK participation in its preparation was entrusted to Technical Committee ACE/61, Metallic materials for aerospace purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
