

BSI Standards Publication

Aerospace series — Acid pickling of aluminium and aluminium alloys without hexavalent chromium

National foreword

This British Standard is the UK implementation of EN 4707:2020. It supersedes BS EN 4707:2014, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/61/-/24, Light Alloys for Aerospace Purposes.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
