

BSI Standards Publication

# **Aerospace series — Quick release fastening systems for non-structural applications**

Part 06: Stud — quick-release and locking

**National foreword**

This British Standard is the UK implementation of EN 4710-06:2015.

The UK participation in its preparation was entrusted to Technical Committee ACE/12, Aerospace fasteners and fastening systems.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
