

BSI Standards Publication

Admixtures for concrete, mortar and grout — Test methods

Part 8: Determination of the conventional
dry material content

National foreword

This British Standard is the UK implementation of EN 480-8:2012. It supersedes BS EN 480-8:1997 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/517/3, Admixtures.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
