

**BSI Standards Publication**

## **Aerospace series — Heat shrinkable moulded shapes**

---

Part 102: Elastomeric, semi-rigid, temperature  
range -75 to 150 °C — Product Standard

## National foreword

This British Standard is the UK implementation of EN 4840-102:2019.

The UK participation in its preparation was entrusted to Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
