

BSI Standards Publication

**Aerospace series — Metrological assessment
procedure for kinematic fields measured
by digital image correlation**

National foreword

This British Standard is the UK implementation of EN 4861:2020.

The UK participation in its preparation was entrusted to Technical Committee ACE/61/-/6, Mechanical Testing of Metallic Materials for Aerospace Purposes.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
