

Domestic and similar electronic equipment interconnection requirements: Peritelevision connector

The European Standard EN 50049-1:1997 with the incorporation of amendment A1:1998 has the status of a British Standard

ICS 31.220.10; 33.160.40

National foreword

This British Standard is the English language version of EN 50049-1:1997 including amendment A1:1998. It supersedes BS 6552:1990 which was withdrawn on 98-06-01.

The UK participation in its preparation was entrusted by Technical Committee EPL/100, Audio, video and multimedia systems and equipment, to Subcommittee EPL/100/3, Equipment and systems in the field of audio, video and audiovisual engineering, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible European Subcommittee any enquiries on the interpretation, or proposals for change, and keep the UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the BSI Standards Catalogue under the section entitled “International Standards Correspondence Index”, or by using the “Find” facility of the BSI Standards Electronic Catalogue.

A British Standard does not purport to include all the necessary provisions of a contract. Users of British Standards are responsible for their correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.
