

BS EN 50052:2016

BSI Standards Publication

High-voltage switchgear and controlgear — Gas-filled cast aluminium alloy enclosures

National foreword

This British Standard is the UK implementation of EN 50052:2016. It supersedes BS 6878:1988+A2:1993 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/17/1, High-voltage switchgear and controlgear.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
