BSI Standards Publication

High-voltage switchgear and controlgear – Gas-filled wrought aluminium and aluminium alloy enclosures

National foreword

This British Standard is the UK implementation of EN 50064:2018. It supersedes BS 7315:1990+A1:1993, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/17, High voltage switchgear, controlgear and assemblies.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
